68 206 videos watched

75% in 2022 and 2023

247,3 days in cumulative.
(98 d. in 2023)

Most time spend :
CloudKid
41,95 days

Top 1
Music
(63.7%)

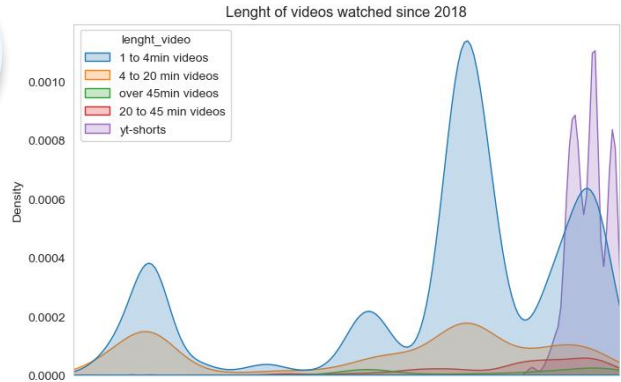

Top 2
People&Blog
(15%)

Top 3
Entertainment
(9,2%)

Diversification in 2023

Responsible for the diversification in 2023

Lenght of videos

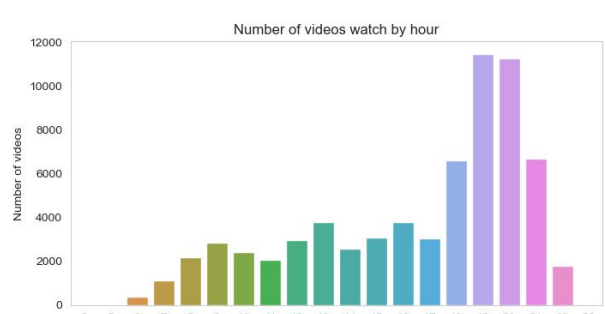

'youtube -shorts'
(videos less than 1min)

Since 2023 :
apparition of
'youtube-shorts'

Categories of the 'youtube-shorts'

Categories	nbVideos
People&Blog	5 781
Entertainment	2 901
Comedy	917
Gaming	503
Education	410

60,1% '1 to 4 min' videos, which are **Music** videos (82.1%)

55% of the videos are watched between **18h** and **22h**

I listen to a lot of music on YouTube.
Since 2023, I've been looking at a lot of shorts of different kinds.

Stats analysis of videos

Youtube API

Number of views, Like and Comments on the videos I have watched since 2018

Huge disparity in the data !

Mean : 26 millions
Median : 1,4 million

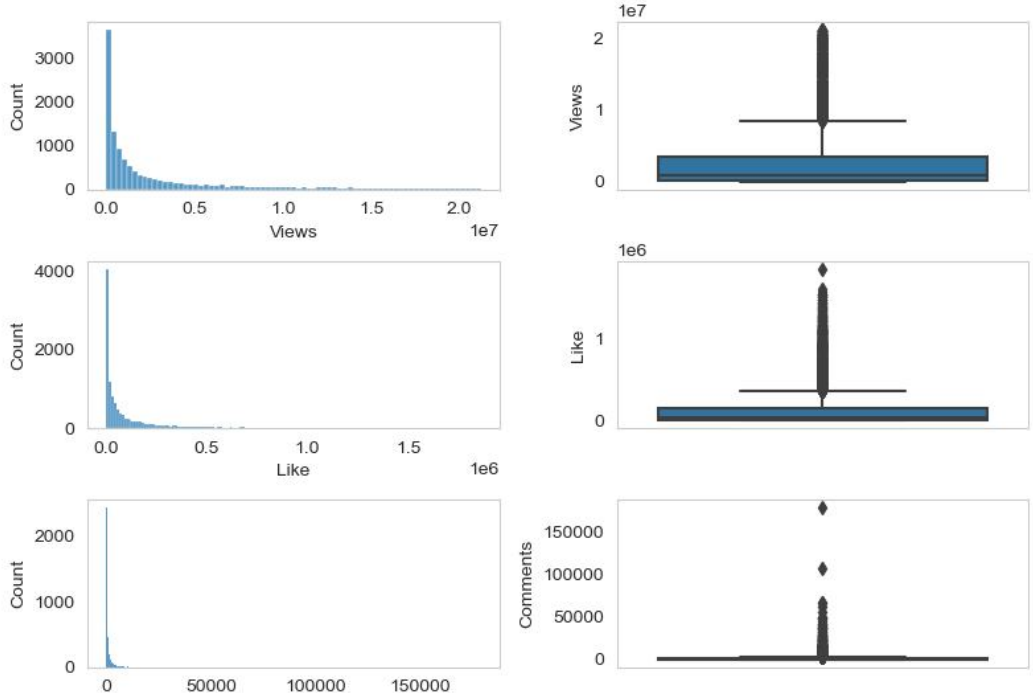

Std : 131 million

Min : 9
Max : 6 236 million

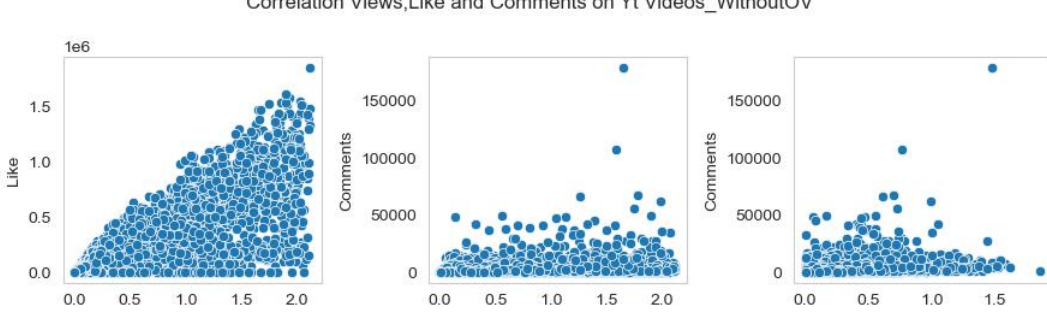

Warning : Data are biased : based only on what I like and what the algo of youtube shows me !

The mathematical outliers, based on views number, have been removed

Distribution of Views, Like and Comments on Yt Videos_Without outliers

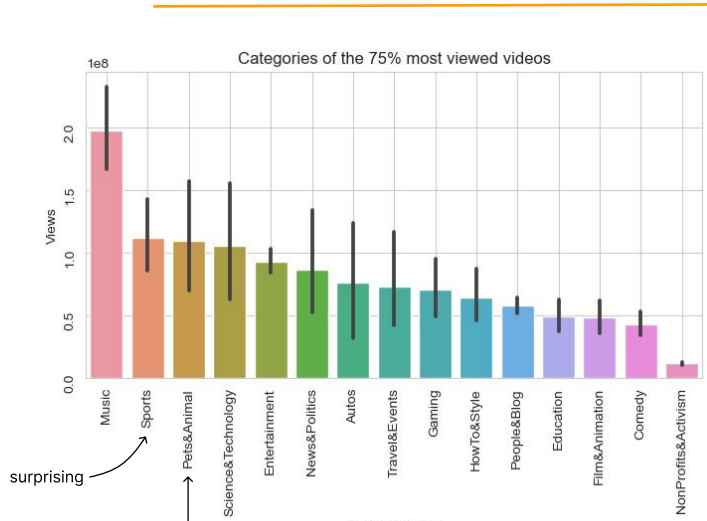

Correlation Views,Like and Comments on Yt Videos_WithoutOV

One-way correlation Views and Like

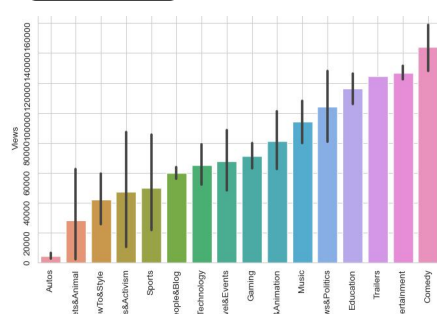

No correlation Like/ comments

Music are the most viewed videos

Top 10 : 9 music videos

Same Categories in the last 25% videos

Stats analysis of channels

Youtube API

Number of views, Subscribers and Number of videos published on my favorite channels.

Favorite channels are those I have watched more than 10 of their videos.

Warning : Data are biased : based only on what I like and what the algo of youtube shows me !

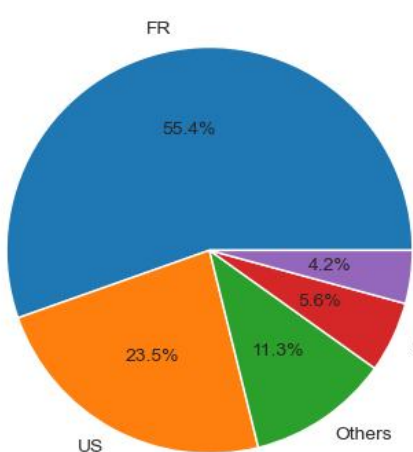

Origin country of my favorite channel

Top 1
CloudKid

Top 2
Imagine Dragon

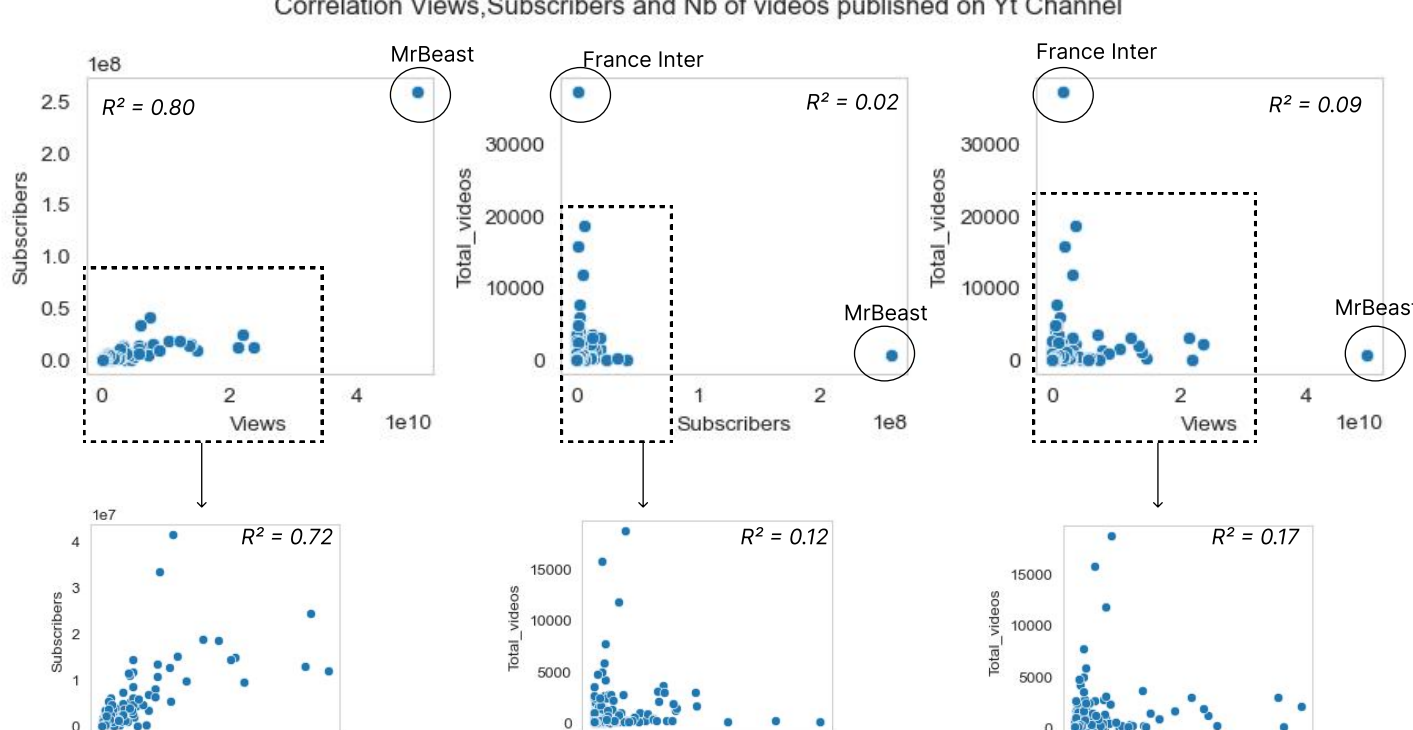

Top 3
Adam Jensen

Top 4 and 5 :
McSkyz and 21pilots

Mostly French Videos
But a fair bit of english one !

Correlation Views,Subscribers and Nb of videos published on Yt Channel

No correlation Views, Subscribers and number of video published
